

INGHAM INTERMEDIATE SCHOOL DISTRICT
SUMMER TAX RESOLUTION

The following preamble and resolution were offered by Member John Wolenberg and supported by member Mary Thaden.

WHEREAS, Act 333, Public Acts of Michigan, 1982, provides that a school district or intermediate school district may determine by resolution to impose a summer property tax levy, of one-half or all of its annual school property taxes; and

WHEREAS, for each year such a resolution applies the school district or intermediate school district must request, before February 1, 1983 or January 1, in any year thereafter, each city and township in which it is located to agree to collect the summer tax levy in that year of either the total or one-half ($\frac{1}{2}$) of school property taxes; and

WHEREAS, this Board of Education has determined that it would be in the best interest of this intermediate school district to impose a summer property tax levy to collect one hundred percent (100%) of school property taxes; and

WHEREAS, said Act 333 provides for certain procedural steps to be taken by this Board of Education in connection with the imposition of a summer property tax levy and also provides for the manner in which summer property tax levy shall be collected.

NOW, THEREFORE BE IT RESOLVED THAT:

1. This Board of Education pursuant to 1982 PA 333, hereby imposes a summer property tax levy of one hundred percent (100%) of school property taxes, upon property located within the intermediate school district, in 2007.

2. The Secretary of this Board of Education is authorized and directed to forward a copy of this resolution to the governing body of each city and/or township in which this district is located, together with this Board of Education's request that each such city and/or township agree to collect the summer tax levy for the ensuing year in the amount specified in this resolution. Such annual forwarding of this resolution and the request to collect the summer tax levy shall be sent so that they are received by the appropriate governing bodies before January 1, 2007.

3. Representatives of the local school districts which are also collecting are authorized and directed to negotiate on behalf of this district with the governing body of each city and/or township in which the district is located for the reasonable expenses for collection of the district's summer property tax levy that the city and/or township may bill under MCLA 380.1611 or MCLA 380.1612. If local districts do not collect summer taxes, than a representative will be appointed for purpose just noted.

4. If no agreement can be reached between this Board and any city or township within the time limits set forth in said Act 333, this Board shall then take such further action as is required and/or permitted under said Act 333.
