Thank you for taking the time to inform The Waterloo Recreation Committee of your opinions, wants and needs regarding recreation! They will be an important component of the New Waterloo Township Recreation Plan 2020-2025 which will guide future decisions regarding recreation. Filing the updated recreation plan with the MDNR will make Waterloo Township eligible again to apply for MNRTF and other MDNR grants through 2025, potentially putting state recreation dollars to work locally right here in Waterloo Township. Please return this survey to Waterloo Township Hall @ 9773 Mt Hope Rd.

**Survey dates March 1, 2020 through March 31, 2020. One completed survey per person, please. Thank you for your input!**
