Mosquito Barrier

Mosquito Barrier is a three pronged attack:

- (1) It kills the adult mosquitoes.
 - (2) The garlic coated plants keep mosquitoes out of the area.
 - (3) It suffocates any mosquito larvae in standing water, such as puddles, under decks, water in tin cans or depressions in lawn, etc.
- Also good for ticks and black flies.

Available in the office quart \$25.00 + tax, 1 gallon
\$80.00 + tax

Plat Book

The new edition of Jackson County's **Plat Book** are available in our office to pick one up anytime. The cost is \$32.

HAP

New 2014-2015 Michigan Public Hunting on Private Lands (HAP) Guides available in the office.

The Hunting Access Program (HAP) offers landowners payment in exchange for providing hunters access to their property.

- Increase and diversify your farm income. HAP pays landowners up to \$25 per acre.
- Help control deer damage or nuisance wildlife.
- Introduce young people to farming and hunting.
- Help preserve Michigan's hunting tradition - give hunters a place to hunt near home.
- Help support Michigan's rural economy.

Liability is covered by state law, and the program is flexible - you may choose to allow all hunting, youth and apprentice hunting only, small game only, deer only or turkey only or a combination.

If you are interested in offering your lands please contact our office. [For more information please see our press release.](#)
